MEDIA PARTNERS
Ms. Sangita Reddy
Joint Managing Director,
Apollo Hospitals Enterprise Limited
Ms. Sangita Reddy is the Joint Managing Director of the Apollo Hospitals Group. She guides the IT and Human Resources functions and is responsible for evolving the patient-centric culture and has spearheaded multiple initiatives like Telemedicine, E-ICU etc. She was also instrumental in the group's retail and primary healthcare expansion.
Ms. Sangita Reddy was nominated by Government of India as a Member of the Technology Development Board, Department of Science and Technology. She is an Independent Director on the board of many companies and a member of the Rockefeller Working Group focused on the private sector's role in global healthcare.
She was conferred with the Honorary Doctorate by Macquarie University, Sydney, Australia. Ms. Sangita Reddy is also the Senior Vice President of Federation of Indian Chambers of Commerce & Industry.

Dr.Al Klein
Findings – Connecting the dots #1
• I drew a straight line through both of the above graphs and found that shortly before the year 3000, just under 600 pound males would be running the 1,000 meters almost instantaneously
• There a few flaws with this analysis, but the point is don't draw a straight line through data for long term projections, i.e., don't connect these dots!
Milliman
